Rise in traffic offences: Cops intensify checking

▶ Drive against triple riding, helmetless riding, speaking over phone

▶ Our motto is to save lives, not just impose fines, says City Top Cop

Traffic Police on checking drive near Gun House Circle in city this noon.

Mysuru, May 25 (RK&KS)- With traffic violations increasing day-by-day, Mysuru Traffic Police, who began traffic offences checking drive across the city from Mar. 23, have intensified the same today.

The Cops are trying to apply brakes on violations such as triple riding, helmetless riding, speaking over phone while driving or riding, drunk driving and signal jumping among other violations that were snuffing out lives and leaving many permanently disabled.

On May 23, the Traffic Police have booked a total of 246 cases against offenders which include 218 helmetless riding, 25 triple riding and three defective silencer cases. Today from 10.30 am, the Traffic Police were seen conducting checking drives on all major roads and junctions, Circles and other spots.

While Devaraja Traffic Inspector Muniyappa was leading his team comprising Sub-Inspectors Jayakumar and Mallamma S. Bandi and staff; Krishnaraja (KR) Traffic Inspector Manjunath, Sub-Inspectors Pooja and Madan Kumar; Siddarthanagar Traffic Inspector Nataraj and Sub-Inspectors Bhavya and Anil Kumar; Narasimharaja (NR) Traffic Inspector Suresh Kumar and Sub-Inspectors Ashwini and Nataraj and V.V. Puram Traffic Inspector Prasanna Kumar and Sub-Inspectors Nagaraj and Sridhar are conducting drives in their respective jurisdictions.

Yogini Kaliji in city, interacts with Yoga teachers

Yogini Kaliji is seen addressing the gathering at an interaction in city this morning as Yoga Guru Dr. K. Raghavendra Pai and R. Krishna of Ranga Rao & Sons look on.

Mysuru, May 25 (RKB&DM)- Internationally renowned Yogini and Founder of TriYoga, Yogini Kaliji from USA, who is on a visit to Mysuru, will also be taking part in the ongoing 80th birthday celebrations of Sri Ganapathy Sachchidananda Swamiji at the Ashram on Nanjangud Road.

She was interacting with several yoga teachers and exponents at the residence of R. Krishna of *N. Ranga Rao & Sons* in Kuvempunagar here this morning. Stating that yoga is her life and breath, Yogini Kaliji maintained that there is no age for 'atma' and that age matters only to the physical body.

(See KALIJI on page 6)

Birth or death, no certificates

Certificate shortage hits MCC, Zonal Offices; supply limited to only one per person per day

Mysuru, May 25 (RK&BCT)- A supply shortage has hit the Birth and Death Certificate issuing offices in the city and as a result, only one certificate — either birth or death — is being issued per person per day.

The shortage has affected the performance at the main office and the offices in all the nine zones of the Mysuru City Corporation (MCC) and the residents are severely inconvenienced and are running from pillar to post to get multiple certificates for different purposes.

The shortage has been witnessed for two weeks or so and each zonal office is supplied with a limited number of certificates per day to enable the issuing of certificates after charging Rs. 5 per certificate. Chandrakala, a resident of Gayathripuram, who had come to the Zone 1 Office near Lakshmi Talkies this morning told *Star of Mysore* that she needed 10 birth certificates but got only one.

Zonal birth and death data officers have expressed their inability to issue more than one certificate as there is a short supply from the main MCC office. "We send daily reports to the MCC Statistical Office and there is a short supply. Nothing is in our hands, but we have to face public anger. Also, certificates were not issued for a couple of days as almost all computer operators were put on Legislative Council election data compiling duty," an officer said on condition of anonymity.

"We need original birth and death certificates for many purposes including school admission of the children and to claim insurance in case of accidental death and also natural deaths. Only one certificate is issued per person per day and if we need five certificates, we have to come to the MCC office on five working days," said Rajashekar, who was at Zone 5 MCC Office.

MCC Statistical Officer Anil Christie said that except for Zone 6, none of the zonal offices was sending daily reports. "Only if they send the daily reports, we can see the demand and allow the required number of certificates to be issued. We will stop sending even the regular quota if the reports are not sent," he said.

Celebrating Indian Dance Forms...

Malabar launches Nrityanjali Jewellery Collection

Mysuru, May 25- Malabar Gold and Diamonds, one of the largest gold and diamond retail chains in the country, launched its latest jewellery collection 'Nrityanjali'— a tribute to dances of India.

Nrityanjali by brand Divine from Malabar Gold & Diamonds is an exquisite jewellery collection that captures the grace of traditional Indian dance forms in pure gold.

Intricate craftsmanship and carving techniques are highlighted in the creations that make up this collection. Every piece is hand-crafted in 100% BIS Hallmarked pure gold and accented with precious gemstones for elevated elegance. The sleek curves and studded jewels add sharp dimensionality to the designs, which portray different poses, forms & mudras of classical dance forms. The collection is replete with a wide variety of designs comprising necklaces, earrings, rings and bangles featuring the signature motifs.

Speaking about the new collection, M.P. Ahammed, Chairman, Malabar Group, said: "With the 'Nrityanjali' collection, we wish to highlight the traditional and artistic values associated with our brand and pay homage to the traditional dances of India."

The Nrityanjali collection is now available in all Malabar stores across Karnataka.

Established in 1993 in the historic Indian city of Calicut, the brand currently operates 280 plus stores across 10 countries.

EDITOR'S BOTTOMLINE

Regular pilgrims to Davos failed to notice or avert the global financial crisis of 2007-09 or the euro crisis thereafter. Ditto for Brexit or the election of President Trump — both those stood for discontent with globalisation and inequality. In 2017, World Economic Forum (WEF) did set up the Coalition for Epidemic Preparedness Innovations. The proof of this particular pudding is in the dying: 15 million is COVID's direct and indirect toll, says WHO.

WEF has not prevented global warming to 1.09 C over pre-industrial times. It shows no interest in pressing the rich world to stop preaching lower emissions to India and Africa, and start sucking out the carbon dioxide, 2,400 gigatonnes of it, they have injected into the world: Large negative emissions by the rich are the only hope the world has to prevent global warming by 2 degrees or more. The goal of uniting the bourgeoisie of the world to pursue enlightened self-interest remains noble, no doubt. But it is not the nobility who forge and implement solutions to the world's problems, but the rabble, through the institutions of democracy. The challenge is to raise the quality of democratic sensibility, in general. That is hard work. But, of course, the pretence of elite magic conjured at an exclusive resort was, however, more joy and more fun. — *T.K. Arun in The Times of India*

Man builds lavish mini-mansion for pet dogs

Jiangsu: A dog owner in Eastern China's Jiangsu province has spent a whopping 340,000 yuan (51,156 dollars) in the last three year to build a miniature mansion for his 10 pooches.

Zhou, a 33-year-old businessman, who made his money in the crayfish trade, started his pet project in 2019, soon after finishing another, much more modest abode for his dogs.

Proud of his achievement at the time, he decided to share a video tour of it on social media, hoping to get some positive feedback.

However, most of the comments from viewers turned out to be negative, which only motivated the young businessman to start over and this time give the internet and his pets something special. After three years of hard work and hundreds of changes, Zhou finally completed his masterpiece and this time people were indeed impressed.

Runner Ducks can stand upright, outrun most humans

Jakarta: The Indian Runner duck has the most distinctive body type among all the world's duck breeds. With legs positioned further back on the body than all other duck breeds, they can stand upright like penguins and run rather than waddle.

Native to the Asian continent, the Indian Runner Duck is a development of the wild mallard. First encountered by European sailors during the 1800s in Indonesia, where it wasn't uncommon for farmers to have heards of over 1,000 ducks.

It stood out because of its unusual body posture and running ability. Today, the Indian Runner is found in all the world's continents.

HEALTH CAPSULE

Is kidney stone a medical emergency?

Yes, kidney stones are a medical emergency as it accumulates the waste products inside the urinary system and causes infection. It obstructs the urinary tract, leads to swelling of your kidney, and causes excruciating pain.

VOICE OF THE READER

Install traffic signal at this junction immediately

Sir,

I have written several repeated letters under this column over the last two years for the need to install a traffic signal at the junction of Hotel Red Lotus Suites located on Akka Mahadevi Road, J.P. Nagar. No action has been taken till date on the same. It seems all my appeals have fallen on blind eyes and deaf ears.

It has been noticed with concern that there is a lot of uncontrolled vehicular movement at this junction. It is proving to be very difficult for pedestrians, especially senior citizens, ladies and children residing in the area, to cross the road at this junction, what with vehicles whizzing past in all four directions, without a thought being shown by some rash drivers towards the lives and safety of pedestrians on the road.

Quite a few accidents have taken place at this junction, resulting in injuries to pedestrians and damage to vehicles. Hence, I appeal to the traffic authorities concerned to take necessary steps to install traffic lights signal, along with those for pedestrian crossings too, at the earliest, to prevent any further mishaps from taking place, resulting in loss of or injury to innocent lives.

Rajivnagar 2nd Stage roads in very pathetic condition

Sir,

I am a resident of Rajivnagar 2nd Stage near Al Badar Masjid. The condition of the road near the Masjid junction and the road passing through Gupta Store till Ring Road is in a very bad condition.

This road is very busy and used by families, children and senior citizens.

Hence, I request the authorities concerned to fix this road and make it motorable as early as possible.

Rain damage: District in-Charge Secretary directs payment of compensation within two days

Mysuru, May 25- Mysuru District in-Charge Secretary N. Jayaram has directed the payment of compensation to those whose house, crops and cattle are damaged because of the rains and has said that the compensation must be provided in two days.

He was speaking at a progress review meeting held at Deputy Commissioner (DC)'s Office after visiting rain affected areas of Hunsur and K.R. Nagar taluk. "Tobacco crops are damaged most. Joint surveys are to be carried out to ensure payment and since more rain expected in the coming days, precautionary measures must be taken. Compensation has been announced but the beneficiaries are not aware of this. Tahsildars should take steps to inform the beneficiaries by writing letters," Jayaram said.

"In urban areas floods happen during the rainy season and smooth flow of water is to be ensured by taking appropriate steps and compensations should be paid to those who are affected.

See that undeserving is not paid compensation," he added.

DC Dr. Bagadi Gautham, who too spoke, asked officials to be ready with statistics regarding crop loss because of rain and upload them in "Parihara" software and pay compensation within 24 hours. "Tahsildars should obtain needed documents from beneficiaries and pay compensation immediately. 100 villages have been identified as potentially vulnerable to floods," he said.

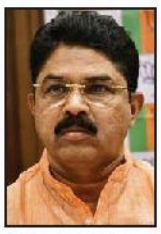
Disclosing that 34 houses in Hunsur taluk, 14 houses in K.R. Nagar taluk and 3 houses in Periyapatana taluk have been completely damaged, he said another 772 houses have been partially damaged. Compensations have already been paid to 533 houses, the DC added.

The Joint Director of Agriculture Department informed the meeting that in May, the district has recorded 166% more rain. Seeding is done already in about 48% and crops have been damaged in 251 hectares.

Mysuru City Corporation (MCC) Commissioner G. Lakshmikantha Reddy, Zilla Panchayat (ZP) CEO B.R. Poornima, Additional DC Dr. B.S. Manjunathaswamy and other district-level officials of various Departments were present at the meeting.

Affidavit-based land conversion order in a week: Minister Ashoka

Bengaluru, May 25 (KMS& BCT)- In a move that will directly impact land transactions, Revenue Minister R. Ashoka yesterday said in Bengaluru that the State Government will tweak the existing laws to allow converting agricultural plots for non-agricultural use in 72 hours.



R. Ashoka

The order to this effect will be issued next week. Speaking to reporters in Bengaluru yesterday, Ashoka said the new scheme is aimed at preventing unnecessary hassles faced by landowners and also putting an end to corrupt practices by Government officers at various levels. Now people who bought land have to wait six to eight months for conversion, he said.

While there will be no change in the conversion fee in rural areas, city and semi-urban areas have to pay two or three-fold fees for conversion, the Minister said. A single-window system will be enforced at the offices of Deputy Commissioners that will deal with all kinds of land conversion to form layouts and industrial areas.

Now, as per procedure, the Revenue Department sends the application for land conversion from the DC to the planning authority, the file then moves to all land acquisition officers, further to the Tahsildar, then to the Revenue Inspector and finally to the Village Accountant.

By the time the land gets converted, it takes around six to eight months and needs a multiplicity of reports, Ashoka said. He said there will be some conditions imposed on those seeking to convert the land. For instance, the land for which conversion is sought should not be encroached or reserved for the welfare of Scheduled Castes or Scheduled Tribes.

The applicants must submit an affidavit and pay the required fees to convert the land. Under the affidavit-based conversion, an agricultural landowner will be able to put the land to any non-agricultural use by giving a self-declaration as per the approved master plan of a particular area.

If a particular area is marked as a green zone in the master plan, then the conversion cannot be done. In case the master plan has not yet been published for an area, then the conversion order will be issued based on the self-declaration subject to the condition that the non-agricultural use should be approved by the relevant authorities as per the Karnataka Town and Country Planning Act.

In case false affidavits are submitted or if there are any loopholes or ambiguity in the affidavit, the conversion will be cancelled and at the same time, the applicant has to forfeit the fee paid while applying, Ashoka added.

'Will fight relentlessly against commercialisation of land'

Gonikoppa, May 25 (BCT)- The residents of Kodagu will resist any attempt to widespread and indiscriminate land conversion for commercial purposes propelled by the State Government's move to approve land conversions within 72 hours. Protests will be organised to oppose the move which will spell a disaster to Kodagu, said Save Kodagu Movement Convener Col. (Retd.) C.P. Muthanna.

C.P. Muthanna

"Our intention is to protect the landscape and fragile ecosystem of Kodagu and unfortunately, we are branded as pseudo environmentalists by the people in power who are hell bent on destroying the ecology of Kodagu to achieve their self-interests," Col. Muthanna said at a press conference yesterday.

The Save Kodagu stakeholders and people are not against planned and systematic development. "We are against indiscriminate development which has already threatened the water sources of Kodagu and there has been an increased man-animal conflict. Tigers and elephants have entered our coffee estates and our livelihood has been threatened, I am open for a discussion with Kodagu MLAs and MP regarding this," he said.

In the last 10 years, thousands of acres of land in Kodagu have been converted for commercial purposes and hundreds of applications are pending. This has led to the concretisation of land which used to absorb rainwater and recharge the groundwater table earlier. The Government's move to approve conversion within 72 hours will lead to a barrage of applications and it will spell doom for the district, he added.

Many Government projects have spelt disaster in the district including the high-tension power line to Kerala that destroyed 55,000 trees. "The elected representatives, supported by their stooges who have no sense of environment protection, are bringing more and more destructive projects to Kodagu and we have seen how mountains have collapsed due to these mindless projects. Rivers of Kodagu are dying a slow death," he added.

Kolathanda Raghu Machaiah of Cauvery Sene, Trishul Thimmaiah and Malchira Shan of Kodagu Samrakshana Vedike were present at the press meet.

Obituary

K. Somappa

Mysuru, May 25- K. Somappa (80), a retired Head Master and a resident of Alanahalli village in H.D. Kote taluk of the district, passed away on Monday at the village.

He leaves behind his wife Shivamma, children Mallesh and Triveni and a host of relatives and friends.

Last rites were performed yesterday afternoon at the village.

DDPI calls on visually-impaired girl's tutor; lauds her efforts

TB-afflicted Uttarakhand girl scores well with Prof. Taramurthy's guidance

Kalpana

Mysuru, May 25 (SBD&BCT)- Deputy Director of Public Instruction (DDPI) Ramchandraraje Urs called on Prof. Taramurthy in Jayanagar recently to enquire about Kalpana, a student from Uttarakhand, who scored 514 marks in the SSLC examinations with the help of Prof. Taramurthy.

Kalpana, who was infected with Tuberculosis (TB) disease and lost her eyesight due to the negligence of her parents, had found a Good Samaritan in Mysuru with whose help and guidance she has scored well in the examinations.

She hails from Joshimath town of Urgam Valley in Uttarakhand and learnt Kannada in just three months to write the examination in Kannada. Braving all odds and learning an initially unfamiliar language, she passed out with flying colours. *Star of Mysore* had published her story on May 20, under the title *'Defeating the odds, visually-impaired Uttarakhand girl scores 514 marks in SSLC exams.'*

Prof. Taramurthy had taught Kalpana all the subjects in her home and prepared her well for the examination. Kalpana's willpower, hard work and dedication, combined with Prof. Taramurthy's guidance got good results. Kalpana has scored 92 marks in Kannada.

Impressed by Prof. Taramurthy's efforts, the DDPI described her as the epitome of humanity. "She has brought light into the life of a student who was robbed of education by the parents and society in general. Prof. Taramurthy is a model for many people and her selfless dedication inspires many," he said.

Prof. Taramurthy told the DDPI that Kalpana will continue her education in Mysuru and asked for support from the Department. The DDPI assured her that he would do his best to ensure that Kalpana gets good education in Mysuru.

Kalpana was born to Ravindra Singh and Asha. She lost her mother when she was three years old and her father married another woman. Her grandfather Ramsingh Negi became her guardian after she was neglected by her father and stepmother. She was infected by TB.

The family neglect resulted in her losing her eyesight. Without any alternative, her grandfather, who wanted to give good education to Kalpana approached Prof. Taramurthy.

HC sets 12-week deadline

for redrawing of Constituencies and reservation for ZPs, TPs

Bengaluru, May 25 (KMS&DM)- Putting an end to the confusions over ZP and TP polls, the Karnataka High Court yesterday set the State Government a 12-week deadline for the completion of redrawing of constituencies and formulation of Reservation Matrix for Zilla Panchayats (ZPs) and Taluk Panchayats (TPs).

Hearing a plea by the State Election Commission (SEC), a Division Bench headed by Chief Justice Ruturaj Awasthi also said that the Government must not seek any more time in this regard.

During the hearing, the State Advocate General Prabhuling K. Navadagi submitted a memo that the State Government has formed a Commission headed by a retired HC Judge for formulation of Reservation Matrix in ZPs and TPs. The SEC Advocate K.N. Phanindra observed that 8 to 12 weeks time was sufficient for redrawing and reservation. As such, the Government must not repeatedly seek an extension of time, he argued.

After hearing the arguments, the Bench set a 12-week deadline to the State Government, before adjourning the hearing.

Mysuru-based murder accused on the run for 5 years

Arrested with the help of selfie posted on his Facebook page

Madhusudhan

Mysuru, May 25 (RK&KS)- An accused in a murder case, who was on the run without attending Court proceedings since five years, was finally nabbed by the Police on Sunday.

The arrested is 35-year-old Madhusudan alias Madhu, a MBA graduate and a resident of Krishnamurthypuram in Mysuru.

Madhu, who had come to Bengaluru, met his friend at a mall, where they took a selfie. Madhu had then posted the selfie photo on his Facebook page, which helped Adugodi Police nab him.

The accused, who was working as an Assistant Manager at a private bank, later started a trading company along with his friend Sriranga Abhishek and had suffered a loss about Rs. 1 crore.

Meanwhile, their eyes fell on an online advertisement from senior citizens Uday Raj Singh and Susheela couple of Lakkasandra in Bengaluru, who wanted to sell their diamond necklace. Madhu and Sriranga, along with five others, hatched a plot to rob the elderly couple.

On Mar. 25, 2014, all the seven persons, went to the house of the elderly couple as prospective buyers and while negotiating the price of the diamond necklace, they murdered Uday Raj Singh and had decamped with the diamond necklace.

Adugodi Police, who had registered a case, arrested all the seven accused. However, on May 6, 2017, Madhu secured bail and walked out of the prison. He then left to Patna and then moved to Pune, where he did odd jobs. Madhu had hid his real identity and was using fake names there. As Madhu was not appearing before the Court since then, arrest warrant was issued many times but Madhu was not found by the Police. The remaining six accused are serving life sentence.

Madhu, who had come to Bengaluru recently, met one of his friends at a mall near Peenya, where he had clicked a selfie photo and posted the same on his Facebook page. Adugodi Police, who investigated, arrested Madhu on Sunday and produced him before a Magistrate, who remanded him to judicial custody. Madhu is now cooling his heels at Parappana Agrahara Jail.

During interrogation, the accused is said to have told the Police that he had visited Mysuru six days back and had met his relatives and friends before going back to Pune. He also revealed that he had told his friends that he would come back permanently to Mysuru in four to five years time.

Man ends life in park

Mysuru, May 25 (RK&KS)- A 30-year-old debt-ridden man committed suicide by hanging self from a tree in a park at Telecom Layout in city on Monday.

The suicide came to light yesterday, when morning walkers noticed the body hanging from a tree and informed the Police.

Mahesh, a resident of Prashanth Nagar, is the one who ended his life after leaving a death note, which stated "I am responsible for my death."

Saraswathipuram Police, who rushed to the spot, conducted mahazar, registered a case and shifted the body to MMC&RI mortuary for post-mortem.

It is learnt that Mahesh, a labourer, had taken loans and unable to repay them, he ended his life. The body was handed over to the family members later.

Vedic & music scholars feted at Ashram

One lakh 'vadas' adorn Karyasiddhi Hanuman to mark Hanuman Jayanthi celebrations

The Vedic and music scholars — Asthana Vidwan H.V. Nagaraja Rao (Mysuru) - Writer; Asthana Vidwan Dr. M. Surya Prasad (Bengaluru) - Music; Nada Nidhi Thiruvaarur Bakthavathsalam (Chennai) - Mridanga; Asthana Vidwan Trichy K. Ramesh (Chennai) - Karnatak Vocal; Asthana Vidushi Seshulata Kosuri (Hyderabad) - Karnatak Vocal and Prani Bandhu Dr. Vaseem Mirza (Mysuru) — who were felicitated at Sri Ganapathy Sachchidananda Ashram on Ooty Road in city this morning as part of the ongoing 80th birthday celebrations of Sri Ganapathy Sachchidananda Swamiji, 100th birth anniversary of Sri Jayalakshmi Mata and 24th anniversary of Nada Mantapa, are seen with Avadhoota Datta Peetham Seer Sri Ganapathy Sachchidananda Swamiji and Junior Pontiff Sri Datta Vijayananda Theertha Swamiji. Picture right shows Karyasiddhi Hanuman idol at Ganapathy Ashram decorated with one lakh 'vadas' today on the occasion of Hanuman Jayanthi.

Yogini Kaliji in city

(Continued from page 1)

When asked what is TriYoga, Yogini Kaliji said that it includes Yogaflow and Prana Vidya as well as Yoga Philosophy, a vegetarian diet and Yoga music. Through these practices, the body-mind becomes a fit instrument for meditation and life.

Asked how she became a Yogini, she said "I was born with a nature to understand our source 'Who am I?' Once Kriyavati Siddhi began in 1980, my destiny was revealed."

To another question on how can one say that India is the Vishwa Guru, she said that yoga is now a household word in the world due to India being the Vishwa Guru, which title it truly deserves.

"I have gratitude for Bharat as this great country held yoga classes for thousands of years while waiting for the rest of the world to be ready for the Universal Truth," she maintained.

When asked how yoga brings the world together, she said that yoga, by its nature, unites the globe. There will be a sense of coming together when we place Ahimsa as our inner light to guide us, she added.

Continuing, Yogini Kaliji said that Sanatana Dharma is the ageless truth that reaches people at their own level while inspiring them to strive for the highest. It holds the keys to understanding our true nature, the 'atma', which is the ray of the divine, she said adding that Sanatana Dharma is the embodiment of the rivers of knowledge.

Elaborating on TriYoga, she said that it was born out of Kriyavati Siddhi, where the universal intelligence and Prana guides the body-mind through Yoga Sadhana for the benefit of others.

She said that Sri Ganapathy Swamiji and his mother Jayalakshmi Mata were her Gurus and she was grateful to them.

Yogini Kaliji presented a non-stop demonstration of self-taught Hasta Mudras on the occasion.

This is her 28th visit to India, with the first one being in 1980.

R. Krishna, his wife Suma Krishna and Mysuru Vedavyasa Prathistana Founder Dr. K. Raghavendra Pai were present.

The 67-year-old Kaliji is regarded as the 238th most impressive person in the world. She has written many books on yoga and related subjects; delivered 58 keynote addresses at Yoga Conferences and other venues worldwide. She has taught TriYoga in more than 40 countries and is currently running 53 TriYoga centres across the world with 2,600 certified teachers. She is also advocating Hindu Sanatana Dharma across the globe.

Traffic offences

(Continued from page 1)

On instructions from City Police Commissioner Dr. Chandragupta, drives are being supervised by ACP (Traffic) S.E. Gangadharswamy and DCP (Crime and Traffic) M.S. Geetha Prasanna. The checking drives were being conducted simultaneously near Fountain Circle, Mahadevapura Road, Deve Gowda Circle, K.R. Circle, Royal Inn junction on KRS Road, Matrumandali Circle, Bogadi Road near Kukkarahalli Lake, Vijaya Bank Circle in Kuvempunagar and other places.

Many motorists were seen taking a 'U' turn and using alternate routes to avoid checking.

Meanwhile, City Top Cop Dr. Chandragupta, speaking to *Star of Mysore* this morning, said that traffic violation cases, especially triple riding, drunk driving, driving without fastening seat belts, riding two-wheelers without wearing helmet and speaking over phone while driving vehicles had increased leading to accidents. Hence, to prevent loss of lives and limbs, Traffic Police have intensified checkings.

"We want motorists to understand the importance of following traffic rules. We want to make them understand the importance of life. Our motto is to save lives not just impose fines, register cases, seize vehicles or impound the Driving Licence of traffic rule violators," Dr. Chandragupta said and added that such checking drives will continue in city besides urging motorists to follow rules and avoid being penalised.

Traffic lessons

It may be recalled, in a bid to regulate vehicular traffic, to ease congestion, as well as to sensitise motorists on various traffic rules at major junctions and Circles, the City Police had launched a Public Address System traffic awareness drive a few years back.

A Public Address System, comprising microphones, amplifiers, loudspeakers and related equipment were installed in all major Circles and a Traffic Police Constable was making mike announcement on all traffic violations. The Traffic Police, who arrive on major roads and prominent Circles daily at 8 am, used to alert motorists about traffic rules by making mike announcements.

They also used to caution riders without helmets, speaking on mobile phone while driving, carrying more than three people on two-wheelers, pedestrians trying to cross at Zebra Crossings even if there is no signal, motorists jumping red signals and other such traffic violations. Despite such initiatives, most of the motorists are violating the rules, which has prompted the Traffic Police to initiate stringent action against them.

Congress candidate files nomination

Mysuru, May 25 (PM&TRR)- Congress candidate for South Graduates Constituency Madhu G. Madegowda filed his nomination papers at Regional Commissioner's office on Hunsur road today.

Opposition Leader and former Chief Minister Siddharamaiah and KPCC Working President R. Dhruvanarayan accompanied Madhu Madegowda.

Earlier, Madhu Madegowda accompanied by party leaders and thousands of party workers, went on a march from Congress Bhavan to the Regional Commi-ssioner Office where he submitted his nomination papers to Regional Commissioner Dr. G.C. Prakash, who is the Electoral Officer.

Later speaking to press-persons, Siddharamaiah said that the failure of the present State BJP Government and the prevailing rampant corruption will ensure the victory of Madhu Madegowda. "Graduates are politically matured and they know that only Congress can protect democracy and the Constitution and both BJP and JD(S) are not capable of protecting them. The rising unemployment and inflation will also help us. Hence, we are confident of our victory," he said adding that the Congress will surely win the polls.

Rs. 5 doctor's health condition improving

Mysuru, May 25 (Mohanraj, RK&KS)- Dr. Shankaregowda, popularly known as 'Rs. 5 doctor' in Mandya district, who suffered a mild heart attack yesterday, is undergoing treatment at a private hospital in Mysuru, where doctors have installed three stents.

Family members of Dr. Shankaregowda said that his health condition is improving.

60 couples tie knot at 'Saptapadi'

Mass Marriage at Nanjangud Temple

Nanjangud, May 25 (Chandru &SSM)- Sixty couples entered into wedlock at 'Saptapadi,' a simple mass marriage ceremony organised under the aegis of Karnataka Saptapadi Vivaha Vedike, at Sri Srikanteshwaraswamy Temple in the town this morning.

'Saptapadi,' a mass marriage scheme introduced by the State Government to promote simple marriages and to support people belonging to economically weaker sections, was organised after two years gap due to COVID-19 pandemic.

Though 63 couples had registered for the marriage ceremony, only 60 couples tied knot at the temple in the presence of their family and friends. Rituals were conducted by Nanjangud Temple Chief Priest Nagachandra Dixit and Chamundeshwari Hill Temple Chief Priest Dr. N. Shashishekar Dixit in the presence of Deputy Commissioner (DC) Dr. Bagadi Gautham.

A monetary assistance of Rs. 55,000 was given to each couple that included a 8-gram gold *Mangalya* and Rs. 10,000 cash for purchase of clothes to every bride and a dhoti and Rs. 5,000 for every bridegroom.

The simple mass marriage ceremony will next be held at Sri Chamundeshwari Temple atop Chamundi Hill. The actual dates will be scheduled shortly.

Nanjangud Tahsildar Shivamurthy, Sub-Registrar Shivashankar Murthy, Nanjangud Temple Executive Officer (EO) Ravindra, Assistant EO Venkatesh Prasad and others were present.

Shravanabelagola-Kushalnagar Railway line survey ordered

Mysuru, May 25 (Akshay & BCT)- The Union Railway Ministry has directed the South Western Railway (SWR), headquartered in Hubballi, to conduct a survey of a new Railway line from Shravanabelagola in Hassan to Madikeri and Kushalnagar.

The letter, dated May 12, 2022, signed by Pankaj Kumar, Director, Project Monitoring of the Railway Board, asks the SWR to commence the survey for Shravanabelagola to Madikeri line that will run via Holenarasipur, Arkalagud, Konanur and reach Kushalnagar.

The Railway Board has fixed Rs. 58,50,000 for the survey of the 117-km new line. The sanction has been obtained from the Finance Directorate of the Ministry of Railways, says the letter.

Sources from the Railways told *Star of Mysore* that with the sanction of Shravanabelagola-Madikeri-Kushalnagar Railway line, the Railway Ministry is looking at linking the Mysuru-Kushalnagar Railway line with this new line.

The Centre has granted Rs. 1,000 crore for the 87.2-km Mysuru-Belagola-Kushalnagar Railway line that is expected to cost Rs. 1,854.62 crore. The allocation has been made in the Union Budget 2022-2023.

The land acquisition process is expected to begin soon for this project that was green-lighted and funds were allocated in the Railways' Pink Book in 2019 and this particular line will pass through Yelwal, Bilikere, Uddur, Hunsur, Sathegala, Periyapatna, Doddahonnur to reach Koppa village near Kushalnagar.

Meanwhile, the SWR has mentioned on its website under 'summary of survey projects as of September 2021' that the survey for the 272-km new line from Mysuru to Mangaluru via Madikeri has been dropped as the Forest Department did not accord clearance as it will lead to widespread destruction of forest land in Madikeri Taluk.

The Mysuru-Belagola-Kushalnagar Railway line has been mentioned under the ongoing project sanctioned category on the website. It has to be seen if the Forest Department will accord permission to the Shravanabelagola-Madikeri-Kushalnagar Railway as this project too entails cutting down thousands of trees from Kushalnagar to Madikeri which has many reserve forests.

Birth or death, no certificates

(Continued from page 1)

This stand, however, is contested by the Zonal Offices who claim that daily reports are sent to the MCC head office in the evening. But the public is caught in the confusion and they are the affected lot.

"Some people ask for 50 to 100 birth/death certificates and it is impossible to cater to their demand. Yes, there is a shortage for a month or so as the State authorities have restricted the supply and a limited quota has to be maintained. Still, if there is an emergency situation, we have told our officers to issue four to five certificates on humanitarian grounds and this is to minimise the inconvenience. Why do people need 25 to 100 certificates? It is illogical," said G. Lakshmikantha Reddy, Commissioner, Mysuru City Corporation

Felling of trees for road widening: Public meeting on June 20

Mysuru, May 25 (SSM)- In order to take up road widening works on 400 mts left and right of the Black Spot Id No-KA-(02)-355 near Mysuru-T. Narasipur Ring Road signal, the National Highways Authority of India (NHAI) had sought the permission of Forest Department for felling of roadside trees.

Subsequently, the Forest Department staff, along with NHAI officials, carried out a joint survey, when it was found that a total of 99 trees have to be felled for road widening and rectification of the identified black spots.

As per Karnataka Preservation of Trees Act 8 (3) (VII) the Forest Department must seek public opinion if more than 50 trees are to be felled.

Accordingly, the Forest Department has called a public meeting at Alanahalli Ring Road Junction on June 20 at 11 am during which public can submit objections, if any. Public can also e-mail their objections through: *dcfmdm@gmail.com*

PRESIDENT SURARAM | SECRETARY M.R. CHOUDHARY | TREASURER RATAN LAL KAG | HEAD MASTER SATHYA NARAYANA.K.N

Siddu calls for ouster of BJP Govt.

Mysuru, May 25 (MK&DM)- Accusing the BJP of rampant corruption and maladministration, Opposition Leader and former Chief Minister Siddharamaiah asked the Congress workers to work for the ouster of the State BJP Government, by ensuring the victory of the Congress candidates in the Legislative Council polls from Graduates and Teachers Constituencies.

Addressing party workers at the South Graduates Constituency preparatory meeting held at a private hotel here on Tuesday, Siddharamaiah charged the Bommai Government of looting public money through various means of corruption.

Asserting that the Congress is the only party that can throw out the BJP Government, the Opposition Leader alleged that SC/ST leaders in the BJP were silent even though the Government had cut short SC/ST development funds by Rs.12,000 crore.

Stating that Prime Minister Modi was silent on the charges made by Karnataka Contractors Association which had alleged a 40 percent cut in contracts and tenders, Siddharamaiah said that the educated voters must think whether the nation would survive if the corrupt BJP Government continues in power.

Questioning the Government on the developmental and welfare measures taken by it, he claimed that the BJP was only dividing the society on caste and communal lines, which is detrimental to the very fabric of democracy.

Re-asserting that the Congress was the only party that cares for all sections of the society, Siddharamaiah asked the party workers to campaign hard in an organised manner and ensure the victory of the Congress candidate Madhu G. Madegowda in the South Graduates Constituency.

Highlighting the achievements of late Congress leader G. Madegowda, he said that Madhu was now taking forward the educational institutions and other service organisations founded by his late father.

KPCC President D.K. Shivakumar, former Ministers Dr. H.C. Mahadevappa, Cheluvarayaswamy, Puttarangashetty and K. Venkatesh, MLAs H.P. Manjunath, Dr. Yatindra Siddharamaiah, R. Narendra and Anil Chikkamadu, former MPs M. Shivanna and A. Siddaraju, City Congress President R. Murthy, District President Dr. B.J. Vijaykumar and other leaders were present.

Electoral rolls has unclear address of voters: Congress

Mysuru, May 25 (MTY&DM)- Maintaining that the address of over 40,000 voters in the electoral rolls of the South Graduates Constituency were either unclear or incomplete, Congress Spokesperson M. Lakshmana warned that the party would move the High Court if the Election Commission does not take the issue seriously and take steps to rectify the lapses.

Addressing a press meet at Congress Bhavan near the city Railway Station here yesterday, Lakshmana accused the ruling BJP of resorting to electoral malpractices in a bid to win the polls.

Pointing out that the Constituency has 1.33 lakh voters, Lakshmana claimed that some of the voters were not Graduates and as such a complaint has been lodged with the Election Commission. The EC should conduct a probe into the complaint and take all measures for ensuring a free and fair poll, he said adding that there is a growing suspicion that the electoral rolls may have been tampered with by registration of fake voters with wrong address.

Lakshmana also warned that the Congress would petition the High Court seeking a stay on the election if the anomalies and lapses in the electoral rolls and process are not rectified. He also expressed concern over possible electoral malpractices and bogus voting by the ruling BJP as over 2,000 RSS workers are involved in the poll related work of the BJP.

Continuing, Lakshmana said that there is no confusion regarding the Congress candidate like in the BJP or the JD(S) as the party had declared Madhu Madegowda as its candidate months ago.

Contending that disgruntled JD(S) MLC Marithibbegowda has openly extended his support to Congress, he expressed the hope that the Congress would win this time.

The Congress Spokesperson also wanted the EC to book a case against Higher Education Minister Dr. C.N. Ashwathnarayan for seeking votes at an official meeting held at Mandya, in violation of the poll code.

He also charged Chief Minister Basavaraj Bommai of violating poll code by holding a meeting with heads of private educational institutions in Bengaluru region, which was also attended by Education Department officials.

City Congress President R.Murthy, District President Dr. B.J. Vijaykumar and party leader Shivanna were present at the press meet.

No revision of textbooks, asserts Minister Nagesh

Mysuru, May 25 (MTY&DM)- Even as the debate continues on the State Government's decision to revise school textbooks, Minister for Primary and Secondary Education B.C. Nagesh has asserted that there is no question of revision.

He was speaking at the BJP election campaign for the South Graduates Constituency polls at Sharada Public School in Dattagalli here on Tuesday.

Dismissing the allegations of Congress that BJP is attempting to 'saffronise' school curriculum, Nagesh maintained that the Congress was viewing everything that the BJP Government was doing for betterment of education, through a different lens.

Noting that BJP is only interested in the future of children, Nagesh wondered how Congress leaders were making allegations without going through the textbooks.

Accusing the Congress of being responsible for any insult to Rashtrakavi Kuvempu, the Minister reiterated that the allegations of leaving out lessons on Narayana Guru, Bhagat Singh, Basavanna, Tipu Sultan and such other great leaders, were baseless. He also lashed out at Opposition Leader Siddharamaiah for targeting Textbook Review Committee Head Rohit Chakratirtha.

Later Nagesh interacted with the school teachers and staff and sought their votes for BJP candidate M.V. Ravishankar.

District Minister S.T. Somashekar, MP Pratap Simha, MUDA Chairman H.V. Rajeev, City BJP President T.S. Srivatsa, party candidate M.V. Ravishankar and other leaders were present.

Former CM BSY goes missing from banners

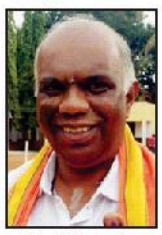
Meanwhile, the photo of former Chief Minister B.S.Yediyurappa (BSY) has gone missing from campaign banners and posters of BJP, which has caused disappointment among the supporters of the former CM.

Though the banners carried the photographs of PM Modi, CM Bommai, BJP National President J.P. Nadda, State President Nalin Kumar Kateel, Union Home Minister Amit Shah, a few Ministers and MLAs, Chairmen of Boards and Corporations and other local leaders, the photo of BSY was conspicuously missing.

False propaganda of transferring money online to voters

BJP candidate M.V. Ravishankar files complaint with Cyber Police

Mysuru, May 25 (RK&KS)- Alleging that vested interests in the name of his fan's association were sending false messages that money would be transferred to the Google Pay and PhonePe accounts of voters to tarnish his image, BJP candidate for the South Graduates Constituency M.V. Ravishankar has lodged a complaint with Cyber Crime Police.



Ravishankar

In his complaint, Ravishankar has stated that false message in the name of M.V. Ravishankar Abhimani Balaga has been received by many.

The message contains his photo with a note and a link stating "Friends, kindly send your Google Pay and PhonePe number." When the message link opens, it states, "Vote for Ravishankar, get payment to your account."

Pointing out that the message and the link was being sent from Mob: 82699-08222, Ravishankar said that such a message was being sent to tarnish his and the party's image and has urged the Police to initiate legal action against those sending such messages.

WORD OF THE DAY

Mercurial

Pronunciation: mer-KYUR-ee-ul.
Meaning: Mercurial means "changing often" or "characterised by rapid and unpredictable changeableness of mood." It can also mean "having qualities of eloquence, ingenuity, or thievishness attributed to the god Mercury or to the influence of the planet Mercury."
Origin: The Roman god Mercury was the messenger and herald of the gods and also the god of merchants and thieves (his counterpart in Greek mythology is Hermes). He was noted for his eloquence, swiftness, and cunning, and the Romans named what appeared to them to be the fastest-moving planet in his honor. Mercurial comes from the Latin adjective mercurialis, meaning "of or relating to Mercury."
Example: "But Cabrera was the definition of mercurial. He might be yelling at the top of his lungs, playfully arguing with a teammate, then quickly turn sullen when approached by a reporter." — Carlos Monarrez

THE ODD WORD

Macromancy

Divination using large objects.

PHRASE OF THE DAY

As mad as a hatter

Meaning: Completely mad.
Origin: Mad hatters existed before Lewis Carroll put one into Alice's Adventures in Wonderland, but no one is sure how this 19th century expression originated. Mercury used to be used in the making of hats. This was known to have affected the nervous systems of hatters, causing them to tremble and appear insane. The use of mercury compounds in 19th century hat making and the resulting effects are well-established - mercury poisoning is still known today as 'Mad Hatter's disease'. That could be enough to convince us that this is the source of the phrase. The circumstantial evidence is rather against the millinery origin though and, beyond the fact that hatters often suffered trembling fits, there's little to link hat making to the coining of 'as mad as a hatter'. The earliest known printed citation of the phrase that I know of is from Blackwood's Edinburgh Magazine, January-June 1829. It appears in a section of the magazine headed Noctes Ambrocianæ. No. XL1V, in a fictional conversation between a group of characters that wouldn't have been out of place in Wonderland:
NORTH: Many years - I was Sultan of Bello for a long period, until dethroned by an act of the grossest injustice ; but I intend to expose the traitorous conspirators to the indignation of an outraged world.
TICKLER (aside to SHEPHERD.): He's raving. SHEPHERD (to TICKLER.): Dementit. ODOHERTY (to both.): Mad as a hatter. Hand me a segar.

QUOTE BOX

No great mind has ever existed without a touch of madness. **— Aristotle**

4	1	8	6	9	3	5	2	7

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

JEO, ZY RYL GIJEO; ROFLVOS GIELFRORHO RYS

OCHOEE OTOS SORZOSE KGR VGAAM.

TODAY'S CLUE: Z EQUALS D

Yesterday's Cryptoquip: Whenever two people meet, there are really six people present. There is each man as he sees himself, each man as the other person sees him, and each man as he really is.
